

# Union Pacific Select Service Unit Winter PPE & Supplies Ordering for TE&Y

**BUILDING AMERICA®**

Union Pacific is proud to present the premier alternative to those one-size-fits-few vending programs of yesteryear. Free yourself from the machine and enjoy a wORRld of PPE opportunities with ORRbit – Escape the Machine. The choices are better than ever before!

Employees will be cut off from vending 1 month after the program goes live (reference effective dates below).

Employees outside of the Service Units noted, will continue to use the vending machines.

- 08/01 – North Platte Service Unit
- 09/01 – Heartland Service Unit
- 10/1 – St. Louis Service Unit
- 08/15 – Twin Cities Service Unit
- 09/15 – Chicago Service Unit
- 10/15 – Denver Service Unit

REVISED: 07.18.2017

## Your Feedback

Your involvement and feedback is extremely important! Enhancements will be made to the program based on your comments and suggestions prior to being rolled out to all UPRR employees. Please watch your TE&Y Portal Message for a survey link asking about this program after the first week of your start date.

To access the Union Pacific ORRbit programs: Choose from 2 options

Just Click It.
